A representative was chosen to represent your colony at the Continental Convention. The representative is responsible for taking the declaration back to their colony and explaining to your people what it all means. While your representative has been away at the Continental Convention, your colony's people have MANY questions regarding the decisions that have been made.

YOU and your peers are employed at your colony's representative's office. Your job is to help your representative answer and respond to the following questions and concerns. The emails have been piling up quickly, so I suggest everyone gets busy!

1. [Esther.pennsylvania@usa.com](mailto:Esther.pennsylvania@usa.com)

What is taking all the delegates so long? What is the hold up, why is it taking y'all so long to come to a decision?

2. [Bruce.virgina@usa.com](mailto:Bruce.virgina@usa.com)

What's the point of the declaration? What does it do for the colonies?

3. [Anthony.georgia@usa.com](mailto:Anthony.georgia@usa.com)

Did I just hear the people on the news say that "ALL MEN ARE CREATED EQUAL"? What exactly do you mean by that?

4. [Dwayne.connecticut@usa.com](mailto:Dwayne.connecticut@usa.com)

I keep hearing the word ratification? What is that? What does it mean?

5. [Andrew.delaware@usa.com](mailto:Andrew.delaware@usa.com)

I heard that some delegates would not approve the Constitution when it was sent to the states for ratification. Why? What was the big deal?

6. [Theresa.newjersey@usa.com](mailto:Theresa.newjersey@usa.com)

Did I hear this right? ALL states were granted the right to control certain things within their borders?!?! NO WAY!! Tell me more!

7. [Robert.massachusetts@usa.com](mailto:Robert.massachusetts@usa.com)

Hey, did you find out any information about citizenship at your convention? I was not born in the states and it is my dream to become a citizen of this free country. Can you tell me how to do this?

I hope that I have answered all your questions and concerns. Please let me know if you have any further questions.

Sincerely,

The Representative Office: \_\_\_\_\_
